

Incomera Call for experts 2016

INCOMERA Call Secretariat launch a call for the establishment of a database of individuals experts to assist in the evaluation of proposals

How are the experts selected?

In order to ensure that only proposals of the highest quality are selected for funding, the INCOMERA Call Secretariat appoints independent evaluators from the database of external experts selected through the Call for experts. Experts are appointed by the Call Secretariat and selected on the basis of their profiles in the expert data base. Registration is therefore no guarantee for being appointed an expert.

Required level of qualifications

Evaluators will have a high-level of expertise in the relevant fields of research and innovation and / or business background linked with Incomera NMP fields. To qualify as an expert, the main focus is on the experts CVs and fields of research/business expertise in order to make the best match with the specific topics in INCOMERA proposals.

How to register?

Experts will register at first through the **INCOMERA Expert Area**

<https://experts.incomera.eu/>.

The second step is to fill in an application form with all necessary information **until the 16.02.2016 at 3 p.m.**
